In order to be successful in any business you also need perseverance, determination and a good team you can work with. Here is a good message I found that I always refer back to for needed inspiration and momentum build up...

MESSAGE

Excellence is a product of habitual good practice. The regularity of meetings and constructive feedback is important in establishing habits.

Members catch the habit of constantly assessing themselves for their strengths and areas for improvement that they themselves perceive what knowledge, skills, and attitudes they need to acquire to attain team goals. In the process, they attain individually excellence as well...

Thomas Edison once said that genius is 1% inspiration and 99% perspiration. For one to accomplish his or her dreams, there has to be had work and discipline. But take note that that 1% has to be a think-big dream, and not some easily accomplished one...
