**I'm A REAL Person! My Name Is
Jenny I Have Something To Share!**

My name is Jenny, and I am a real person! I have a husband, we've been happily married for 5 years, and married for a total of 8 years (hehehe... I'm funny!) We have 2 beautiful children, ages 2 and 5. I'd like to share with you how possible it is to make money online.

I want you to know that you can make real money online. Believe me. I've tried everything, and I've finally found it. [MyInstantBiz](#)

How did we get here? 18 months ago, my family and I were living pretty well. My hubby had knee surgery, and was out of work (he was a foreman of a factory) for 6 weeks. It was only supposed to be 3, but due to complications it was 6. The day he went back to work, he had a KILLER headache. Insert a bunch of bad luck, stumbling blocks, and srt-backs here...

My point... he lost his job. So now we were stuck.

He could only find part time work.

Then I got sick... very sick. Spent the entire month of December 2007 in the hospital...

My husband and I and our children were in poverty from than on. We had to find something. He was working part time, and odd jobs when he could find them. I was spending our savings on internet jobs... It's a bad thing when I am the most gullible person for MILES!! I signed up for pretty much everything I saw... and made just enough (eventually) to make back half of the money I spent making all these dumb choices.

Flash forward to a while ago...

I stumbled upon MIB from a safe list. I read the entire site and guide ([step-by-step guide](#)), re-read it, and decided to sign up... only because of the 100% absolutely ZERO risk 30 day trial. I didn't have to enter any payment info, and I didn't have to start up anything. Everything was set up for me. All I had to do was surf.

I am now a proud, actual success story! I have officially made money from this program! I do have to work... I surf a few hours a day... and I'm PROUD to say:

I am a member of MIB - My Instant Biz.

I am making money. Real money. I'm in it for the long haul... this program isn't going under anytime soon!

Stop the non-sense, check this out, and you can really start making money too!!!

Our family has had our fair share (and them some!) of hard times. There are very few things that we haven't been through. Sickness, near-death, poverty, happy, sad, loss, you name it.

I'm here to say that we will persevere! And... now we'll have the money to do what we want to do! We've always wanted to buy the duplex we're living in and make it into a single family dwelling. It looks like that will be in our near future! My husband wants to go back to college and get his RN... he's already started the application process!

I'm hoping that you will take your opportunity, and get your very own MIB. You ARE worth reaching your dreams, and this will HELP that happen!!
