Come help us spread the buzz about an amazing entrance into the market on some of our newest technology. Here's what you can look forward to in the upcoming weeks.

This is the evolution of the internet right before your very eyes. The internet will never be the same after its revealed. Come help spread the word, and you will be rewarded for the efforts. Become one of the founding members of this brand new technology first.

Come inside, and take a look at some of our products that will surely generate some six figure earner in a short time. We have one of the best compensation plans on the internet.

What makes this opportunity so much MORE lucrative than anything else out there today is that it is based on TWO Industry Altering Technologies that have the potential to grow into the TENS of MILLIONS of users (and eventually a hundred plus million users like the Facebooks of the world)!

That's a BIG Claim, but not even Facebook or Google have brought Social Networking to every website online, then merge this into a search engine technology! We are the First! [search engine](#):

Remember, Buzz-Zooka is NOT just another Home-Based Business. Our affiliate system is tied into MASS APPEAL Technology. We are NOT limited to the Home-Business Industry like those other guys.

Our technology is open to the masses and already has users in every major and most minor countries around the world!

Now with the release of Qlixter and the New BuzzBot 3.0 FULLY FEATURED Social Networking Platform, BuzzBot and Qlixter will become HOUSEHOLD NAMES FAST.

BuzzBot -  
Changing the Internet...Changing the World!

BuzzBot is the First Technology to bring Social Networking Features to Every Website on the Internet, instantly and all at a simple click of a button!

Not even just a decade ago the Internet was a FLAT world. Not much interaction really...text, pictures and such...BUT TODAY IT'S A DIFFERENT WORLD!

A Fully Interactive World!

Webmasters no longer create the content...The users - YOU AND I DO!

Social Networking has become the BIGGEST Trend online today - and not just a passing trend either! Sites like mySpace, Facebook and youTube have literally hundreds of millions of users each, yet still less than 5% of all websites actually have Socially Interactive Features - UNTIL NOW!

The way the web is evolving, someday every website would become fully Interactive.

THAT SOME DAY IS TODAY!

BuzzBot just so happens to be THE FIRST technology to take this MAJOR TREND of Social Networking to EVERY website on the Internet! Wow!

With BuzzBot and Qlixter, you can Comment, Chat and Blog on EVERY Website on the Internet - Instantly...and all at a simple click of a button!
