# **The Troubles Connected With Work In Service Of Google AdSense.**

The first problem. Void cliques:

In the West the tendency to a total regulation is very strong. Owing to this reason the considerable quantity of ridiculous laws is accepted. One of leaders in this area is America. If to you their distances to read (and I read them), you would lie from laughter on a floor. Why it occurs? In the West absolutely other values rather than in Eastern Europe.

The person of the western type meticulous, knows the rights, is able to protect them, demands from the power of their observance and tries not to break the right of other citizens, following a principle, my freedom comes to an end there where freedom of other person begins. I will result to you well remembered example with pool. As the same operation is put into practice by the person in the West. The person of the western type leaves a locker room, approaches to the stand with instructions and starts them to study.

As these are constructed the instruction. Approximately as follows. A step ?1. We dress ammunition (swimming trunks, a bathing suit, a hat). A step ?2. Whether we approach to edge of pool and it is checked there is in it water. And so on ... so they meticulous and correct that before to start swimming check water presence. It will seem to you silly, but this quality really helps them with more serious situations. As it is connected with Google AdSense, - you ask. Read further.

Before to start to work with system AdSense to you it is necessary to familiarize attentively with General provisions and treaty provisions and Rules of program Google AdSense. Well-known that our citizens never have time, attentiveness, and also our mental line - hope at random affects, therefore practically all pass one very important position fixed in two documents. Extraction from Rules of program Google AdSense: Remember that to press announcements on the site for any reason it is forbidden. For infringement of this rule the accounting record can be blocked». Extraction from General provisions and treaty provisions: You are forbidden to carry out, and also to give to the third parties the right to performance of following actions: directly or indirectly to create inquiries, events of referrals, to carry out displays or cliques on any results of search, references, advertising, the referral button in any automatic, deceptive, roguish or other illegal ways, including repeated cliques, use of programs-agents or other tool means and-or the search inquiries generated by programs-robots, roguish use of services of optimization of other search systems and-or the software; I believe that All of you have understood.

Never and under any pretext do not press the advertising blocks located on your site. I understand that to you as well as many other owners of sites sometimes really there is interestingly this or that advertising offer, but refrain and do not line friends to click these announcements such several times. If you need to check up something (viewing of colors on your page, check of announcements) can use tester Google AdSense.

Sanctions which can be applied to you are above already designated. But what to do in a situation if you up until that time periodically cliqued owing to ignorance of this point of Rules? I advise to write in Google AdSense and to explain a current situation as has occurred. People understanding and sympathetic there work; therefore problems should not to arise. Write the letter.
